## LAST BY THE STROKE.

### Harvard Beaten in the Varsity Race.

#### Won Two Events and Nearly Gained the Third.

##### Red Brothers Triumph at Brighton. Phillips Shot Out—Spindrift.

(A. P. DAY REPORT.)

NEW LONDON, June 28.—With two races handily won to her credit and with the third, last and most important of all, well in hand, Harvard's hopes were suddenly dashed in the last half-mile of the "varsity" contest this afternoon by the collapse of Harvard's stroke out.

Altogether, it was the most exciting event in college boating for many years. From the start to the three-and-a-half-mile flag, it had been a hard-fought, heart-breaking contest. Now one boat was ahead, now the other. Never for a moment was clear water between them. Many boating experts say that not once in the distance was there a half-length difference between the crews and blue.

But toward the last Harvard began to creep up, inch by inch, and her sturdy, bronzed men pushed her prow ahead, until at the three-mile flag, they had a lead, and with the race three-quarters over, the crimson shout-looked for victory No. 3. But they reckoned without "varsity" stroke out.

Harvard, who came in an emergency, and took the place of disabled Capt. Higginson. Just after passing the three-mile flag, Harding was seen to be doing badly, and the others. He was observed to go through the motions, but the blade did not touch the water. Coaches and crew showed encouragement to him, and threw water on his body, but to no avail. He was soon in a state of collapse. His strength had gone, his arms dropped, and he fell forward, the other eleven men pulled steadily, but the race was lost.

At the end of the race, Harvard's crew took advantage of every second of Harding's disability, and pulled across the line four lengths ahead. Considering the handicap race, the other seven men of the Harvard crew were comparatively fresh. There were no signs of any collapse in the Yale boat. The official time of the "varsity" was:

Distance. Yale. Harvard.

Half-mile ..... 3:35 3:45

One mile ..... 6:30 6:40

One mile and a half ..... 9:25 9:35

Two miles ..... 12:20 12:30

Two miles and a half ..... 15:15 15:25

Three miles ..... 18:10 18:20

Three and a half miles ..... 21:05 21:15

Finish. Harvard. Yale.

At 11:20 o'clock, the time of the start of the four-oared race, the weather conditions, while not perfect, were better than those of the "varsity" race.

There was a slight south-west breeze blowing, and the water was calm. The Harvard crew was in the lead, and the Yale crew was in the second place.

## TRIMBLE THE WINNER.

### MASTERS' "SOLDIER" GREEN.

#### (A. P. NIGHT REPORT.)

SACRAMENTO, June 28.—"Soldier" Phil Green of San Francisco met his master in Jim Trimble at the Clunie Openhouse, where he carried off an aggressive fight from the start, and for the first three rounds, while Trimble was taking his measure, looked like a winner.

It dawned on Green early in the game that he was against the real article. The soldier tried left swings and straight body blows, but failed to land. Trimble, a strong punch, was a straight left jab to the jaw, followed by a right cross to the temple, and a possible for the soldier to keep away from the left.

Trimble's eighth round to the end it was the same story. Green led for the body and swung for the head, with the soldier's right hand, and the left and chopping him with the right.

Referee Jack Welch gave the fight to Trimble at the end of the twentieth round, the decision meeting popular approval.

## TEN DOLLARS REWARD.

The Times offers a reward of \$10 in cash for the apprehension, arrest and evidence which leads to conviction of any person caught stealing copies of The Times from the premises of subscribers.

## THE TIMES-MIRROR COMPANY.

## PARAGRAPHERS.

A barefooted burglar attempted to enter the residence of Mr. Leath, No. 24 East Seventeenth street, at 3 o'clock yesterday morning. The burglar was seen through the window and was arrested by the police.

## A Small Hand Satchel.

A small hand satchel belonging to Mrs. Thompson, who conducts a restaurant at No. 516 North Alameda street, was stolen from the desk by some sneak thief Wednesday evening. It contained \$1.50 in cash, meal tickets and an order for E. J. O'Neill. The theft was reported at police headquarters.

## G.A.R. Smoker and Feast.

The members of Bartlett-Logan Post, No. 4, G.A.R., are planning to make their smoker and feast at the Grand Hotel, 1200 Broadway, on Friday night. The commander has appointed as a Committee of Arrangements three German members, which is proof that the "feed" will be "just right." All comrades are invited to attend and partake. It is promised that "wieners" and "schwartz bread" will be on the list of eatables.

## Broke Capt. Roberts Bad.

There is a boy's wheel at the Police Station, the sight of which makes Capt. Roberts and every time he passes it. The veteran officer is very fond of boys, and the thought that some youngster mourns for a lost plaything makes funny jumps in his throat. The wheel was picked up at the corner of Seventh and Spring streets on the night of May 15, and has never been called for.

## Fractured Limb.

Mr. Howard Keyser, wife of the local superintendent of the Sunset Telephone and Telephone Company, was chased by a cow while crossing a vacant lot between Pico and Twelfth streets yesterday evening, and sustained a fracture of one of her legs by falling over an embankment. She was assisted to her home at No. 1834 Winfield street, where surgical attendance was promptly rendered to her.

## Cyclist Injured.

Fred Axtell met with an accident yesterday evening while riding from his home at No. 12, Main street, to the Seventh Regiment Armory, on his bicycle. Opposite the Velodrome, on Main street, he collided with a luggy driven by Mrs. W. E. Tarnel of No. 529 West street. Axtell says the buggy was on the wrong side of the street. His wheel was demolished and he was badly bruised and shaken up, but no bones were broken.

## Painted Accident.

C. O. Valentine, president of the Los Angeles Camera Club, met with a painful, though not serious, accident yesterday, that will keep him on crutches for several days. While inspecting the camera club's headquarters on Hill street, now in course of construction, he stepped upon a large nail. The nail penetrated the sole of his shoe, puncturing the leather on the top. Fortunately for Mr. Valentine the nail was new and not rusty, and the danger of blood poisoning is not great.

## After Poll Tax.

Later yesterday afternoon, formal notification was served on the City Treasurer that 132 of the employees of the city had not paid their poll tax. The Treasurer was notified to withhold the amount of the tax and costs from each man's warrant. It is doubtful if this can be done. The law throws many safeguards around the pay of municipal employees, and the City Attorney informed the Treasurer last night that the wages could not be garnished, even for the poll tax. The Treasurer will probably act on this advice, and refuse to withhold the tax from the pay warrants.

## NEWS AND BUSINESS.

Remember the needy. Save your cast-off clothing, beds, bedding or stoves for poor families of the city. A request is also made for the clothing for poor children. There are many poor families in need of wholesome food, and cast-off beds, groceries, or canned fruit will be most thankfully received. Drop a card to Fred Vigstad, at the "Good Samaritan" (formerly Capt. Fraser's place), No. 135 East Seventh street, and anything you have to donate will be called for.

## The Times is printed exclusively with

News Ink manufactured by the Los Angeles Printing Ink Co., 110 North Broadway. Best newspaper ink made. A trial order solicited. A specialty made of fine black and colored inks. Prices quoted on application.

## Learn all about Southern California.

The Los Angeles Fireworks Company, opposite Bullard Block, have received a consignment of Chinese crackers which they will sell today at \$1.25 per box of forty packages. Also a line of children's fireworks at 50 cents a box. On account of the recent death of Mr. T. H. Ward, brother of Mrs. J. S. Chapman, the "At Home" day, June 28, of Mrs. Ward-Chapman will be indefinitely postponed.
